

# Voilà

Digital live that counts.

**Voilà is the live event platform dedicated to hybrid and digital events. Our mission is to make digital live events a unique experience.**

# Voilà

## Who are we?

---

The perfect platform for your conferences, seminars, general meetings, product launches and demonstrations and much more.

- Made in France
- Customizable white label
- GDPR compliant
- Can be integrated directly into your website

### Outstanding quality

- Full HD video with low latency
- Scalability up to 100 000 participants
- Worldwide access (including China)

### Customizable platform

- Event website with templates, colors and customizable content
- Customizable interactions (emojis, pictograms for surveys...)
- Customizable video player (background image, custom video editing)

### A conversational live stream

- Questions (moderated or not), chat, word cloud, satisfaction surveys
- Integration of slides
- Integrated conductor to ensure perfect synchronization with the content
- Scalable configuration of the platform during the live event

## Two exclusivities:

---

### 3D object integration

- Ideal for product launches
- Interactive for each participant
- Integrated shopping buttons

### Integration with slack

- Ideal to stimulate communities
- Possibility to create appointments

# Voilà
